**Thursday  
Plantation**™

Always read the label. Follow the directions for use. If symptoms persist, talk to your health professional.

## The power of antibacterial Tea Tree Oil

All the products in our Acne range are formulated with Thursday Plantation 100% pure Australian-grown Tea Tree oil. Our oil exceeds Australian and International minimum standards for Terpinen-4-ol the primary active antibacterial ingredient in Tea Tree Oil. It is this natural antibacterial property that penetrates deep into the skin, drying out pimples and acne for clearer looking skin.
